

# North Haven Fire Department

The North Haven Fire Department protects an area of 21 square miles with a residency population of approximately 25,000 which swells during the day due to a high concentration of commercial and manufacturing occupancies. The Town of North Haven is intersected by Interstate 91 and the Merritt Parkway which provides for easy accessibility and a high concentration of traffic. The Town of North Haven is home to Quinnipiac University's Graduate Campus which includes the school of medicine and law in addition to other major employers such as Amazon, Covidien, Ulbrich Steel Headquarters and OF Mossberg & Sons.

The North Haven Fire Department is a combination fire department operating out of multiple stations. Career personnel operate a tower ladder, ALS engines and an ALS rescue/ambulance. The North Haven Fire Department responds to nearly 5000 calls for service on an annual basis which is comprised of approximately 60% medical emergencies. The Town of North Haven continues to grow and is experiencing a high degree of economic growth which has resulted in an increase to fire department career staff.

Minimum Requirements in addition to requirements identified within the application:

- Be a minimum of 18 years of age
- Be a citizen of the United States
