A link that was composed by school teachers helping individuals overcome the emotions that are brought on by formal testing is listed below for your review. If you do not experience testing anxiety, it is still a good resource to review for basic test taking strategies.

# WHY WE MADE OUR FIRE SERVICE CAREER AS A CHANNAHON FIREFIGHTER/PARAMEDIC

"I knew when I was testing for this department, that this is where I was going to stay. If you talk to any surrounding department all you hear is good things about the people and the Chiefs. I walked into welcoming arms and an amazing shift to work with. A fire house is supposed to be a second home and at Channahon I had no hesitation since day one to call this place home."

*Shelby Fals, Firefighter/Paramedic*

*Serving Since 2022*

"I'd be lying to you if I said when I took Channahon's test I thought this would be my forever home. I always had the dream of going to a department like Joliet. When I got the call to be hired, I was excited and heard nothing but good things. In the back of my mind though I still thought about Joliet. That all changed when I started here. I was welcomed with open arms by both Chief's and my fellow FF/PMs. Everyone was welcoming and helpful with whatever I needed. I was then assigned to Black Shift and I was beyond nervous to start, afraid I wouldn't fit in with any of them, especially after seeing how close they all were. About a week in I realized this isn't a shift it's a family. I was sold. They make work enjoyable and fun. I would've never thought I'd make Channahon my forever home but here I am today, with no plans on leaving."

*Noah Ciarlette, Firefighter/Paramedic*

*Serving Since 2022*

"What drew me to Channahon FPD was the small town atmosphere, yet a district that has the space and opportunity for growth as a community, department, and a firefighter.

This is my home, just down the street from home, and the personnel are very family oriented."

*Jeff Kazak, Firefighter/Paramedic*

*Serving Since 2023*

I chose Channahon as my forever home, because the work I do here feels like more than just a job. Being a part of this district truly means being a part of a family. The family I have here, both in the station and in the community demonstrates a true sense of commitment, gratitude and genuine support. There are great opportunities here for growth, which keeps me engaged and always leaving shift feeling fulfilled! I feel a great sense of pride serving the Channahon Community and I look forward to spending the rest of my career here.

*Jessica Schumacher, Firefighter/Paramedic*

*Serving Since 2022*
